

Prompt Sheet: Enquiries for Advocacy

Please note: this prompt sheet is intended to help you think about the reason you are considering requesting advocacy from Southern Disability Advocacy. You don't have to answer the questions before you contact us. However, if you spend some time thinking about these questions, you may be better able to tell us why you want advocacy, which will help us decide if we can assist you via advocacy.

We receive many requests for advocacy, and we do our best to assist everyone who is eligible. We make our decision on who we accept for advocacy based on the information you give us.

These questions can help you tell us what we need to know.
